MF22 / Atlas de dessins

Cotes et montage

Vues indépendantes groupées selon l’installation moteur.

Les unités de dessin sont indiquées à la première page de chaque groupe d’installation.

Dimensions de référence ; confirmez le montage et la course pour votre configuration.

Utilisez les cotes cotées ; ne mettez pas les dessins à l’échelle.

C extérieur 6 vues | pp. 2-4

D intérieur 6 vues | pp. 5-7

L gauche 6 vues | pp. 8-10

R droite 6 vues | pp. 11-13

B inférieur 6 vues | pp. 14-17

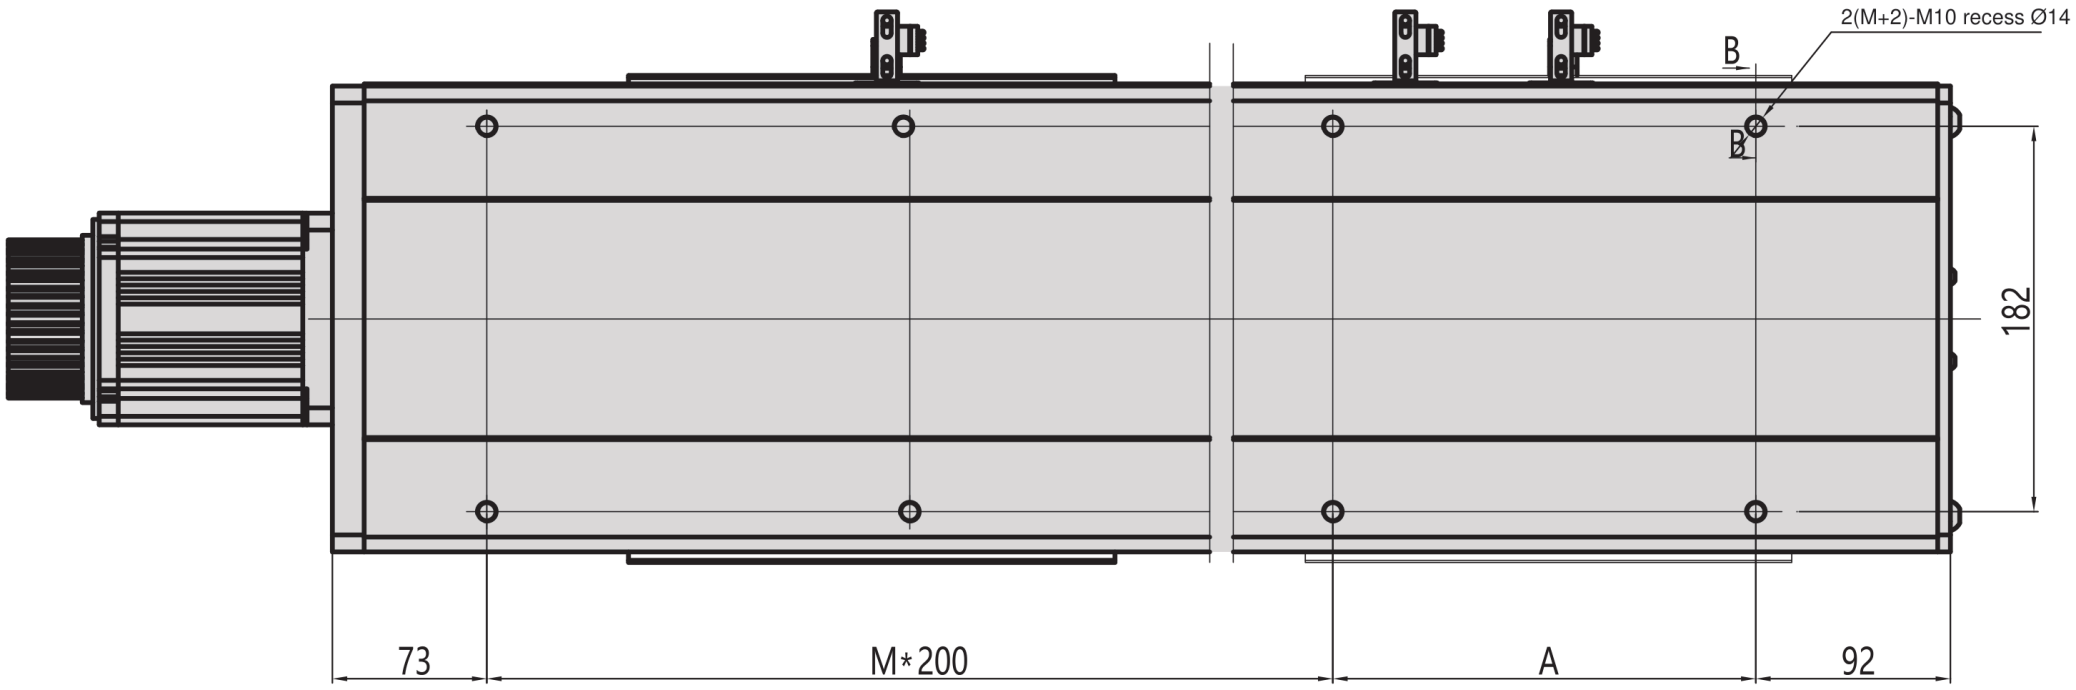

Les spécifications produit et les conseils de sélection sont fournis séparément.

Pour des cotes propres à la configuration ou des fichiers CAD réels, contactez HTROBOT.

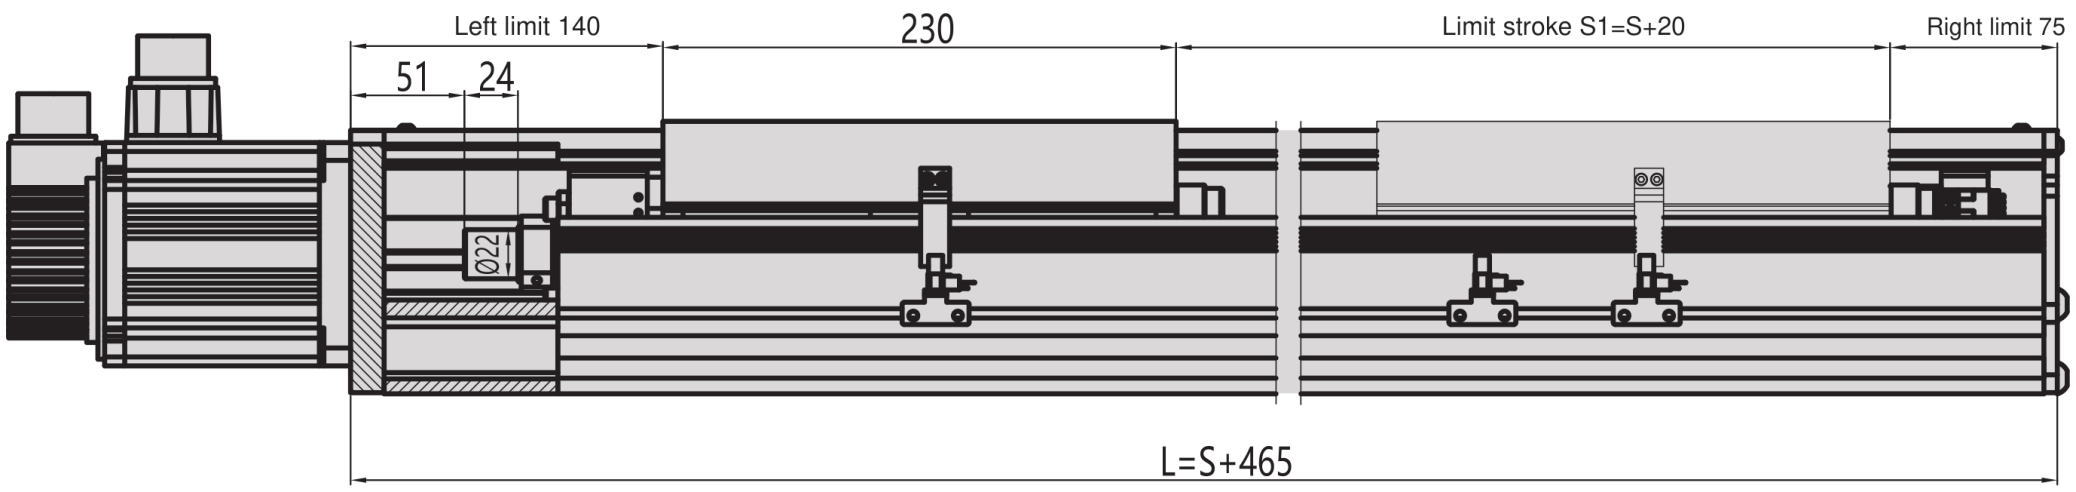

MF22 / C extérieur

Relation course-longueur | Position moteur B (inférieure)

La longueur totale L suit S + 450 dans la même colonne du tableau source.

Les unités de tableau sont adossées à la source ; cela ne confirme pas chaque unité de dessin.

Course S (mm)	Longueur hors tout L (mm)	Masse catalogue (kg)
100	550	25.5
150	600	26.5
200	650	27.5
250	700	28.5
300	750	29.5
350	800	30.5
400	850	31.5
450	900	32.5
500	950	33.5
